We, the students of U. S. Grant  
High School dedicate this book to  
FRIENDSHIP, for we realize  
that although graduation  
separates friends, it does  
not terminate friendship.  
"The most powerful and the  
most lasting friendships are  
usually those of the early season of  
our lives, when we are most  
susceptible of warm  
and affectionate impressions." FITZOSBORNE...

# Colton Meek

*This is your life...*

Mr. Meek in his youth.

Left to right: Mrs. Graft, Mr. Graft, and Miss Graft.

The auditor type.

Miss Graft, the auditor type.

Mr. Graft, the auditor type.

Colton Meek was born in Portland, Oregon on October 10, 1891. His parents, John Smith and Cornelia Colton (Watkins) were members of an old Oregon family. His granduncle was Governor Gibbs of Oregon, and his grandfather was a doctor during the Indian wars. Mr. Meek received his education in Portland, attending Washington High School. He went on to the University of Oregon and received his degree in 1914. Rose Sieler became his wife in April 17, 1915. They have two children, Doctor Edward Colton Meek and Betty Meek Daniels.

Mr. Meek started his teaching career at Milwaukee High School in 1915, teaching mathematics and science. In 1916, he moved on to Franklin High where he served as a teacher and coached baseball, track, and football teams. He was promoted to vice-principal in 1927 and held this position for eleven years. Following this, in 1938, Mr. Meek went to Roosevelt where he served as principal until 1943. It was in 1943 that Mr. Meek became principal of Grant High School.

Mr. Meek is active in fraternal and educational associations. He served as President of Reed College Parents Association in 1938. He was also a trustee of Lewis and Clark College. The Masons, the Lions Organization, Phi Gamma Delta and Phi Delta Kappa are his fraternal connections. He is a member of the Northwest Association of Secondary and High Education, past vice-president of the Oregon High School Activities Association and a member of Oregon State Teachers Association.

For the past fourteen years, Mr. Meek has devoted most of his time and energy to his job at Grant. The students, the faculty and all their activities require a great deal of attention. Mr. Meek presides at Commencement, attends faculty meetings, and takes care of the problems and honors of the student body. For these and for all of the other services Mr. Meek has performed for Grant High School, the Memoirs Staff, speaking for the student body, would like to express its deep appreciation.

# Vice Principals

As Vice Principal in charge of curriculum, Mr. Kleiner's primary duties involve the organization, administration, and supervision of the teacher and instructional programs of the school. His year begins with an induction period for teachers at which time he familiarizes the new faculty members with the objectives and methods of Grant's educational system. Mr. Kleiner's many school year activities include planning the curricular meetings of Grant, selecting text books, interpreting the counsellor's duties, and organizing the safety councils. Each student owes his thanks to Mr. Kleiner, who, by successfully fulfilling his obligations, contributes effectively to the outstanding efficiency and effectiveness of Grant's scholastic program.

Seldom do students realize the extent of Mrs. Schroeder's duties other than those specifically related to her title, Vice Principal in charge of girls. Although such duties as regulating girls' conduct and helping the Girls' League are of primary concern, the school calendar is also a major interest. The scheduling of activities of the school government, P.T.A., clubs, rally squad, assemblies, dances, and Rose Festival is her responsibility. Mrs. Schroeder starts the year by assigning lockers and auditorium seats, enrolling new students, and balancing reg. rooms. The year ends with the planning of Baccalaureate and the Journal Dinner for the seniors. The student body owes a vote of thanks to Mrs. Schroeder for the wonderful job which she does throughout the year as Girls' Vice Principal.

The duties of Mr. Westcott, Vice Principal in charge of boys, cover a wide scope of activities. He begins the school year by enrolling the freshmen and balancing the study halls. Throughout the year he is busily engaged in conducting the student activity program and handling the finances of the school. Perhaps one of the main duties of this Vice Principal can be found in his work with the boys of Grant, for he supervises their behavior and conduct. In addition to this variety of duties, Mr. Westcott is closely affiliated with the Service Squad and Dad's Club of Grant. He concludes the term by handling the announcements, cap and gown purchases, and graduation tickets for the senior class. Truly Mr. Westcott is a vital asset to the successful operation of Grant, and the student body salutes him for a job well done.

# Senior Class Counselors

The members of the graduating class of 1957 would like to express their deepest gratitude to our four senior counselors who have thoughtfully advised us and helped us solve our many problems. Every senior is aware of and appreciates the hard work performed in his behalf by his adviser. Each member of the graduating class is indeed grateful for the kind assistance rendered him by his counselor. The four counselors, Miss Calouri, Miss Hanford, Mr. Knox, and Mr. Carter, who have each guided us through four wonderful years, the graduating class of 1957 would like to say thanks for a job well done.

## senior class song

as we leave the halls we cherish,  
brave and steadfast true:  
we treasure friendships we have made..  
while loyal to gray and blue.  
thus victorious march we onward  
swift the years fly by  
mighty class of fifty-seven  
sings praise to thee Grant High.  
challenging the bright tomorrow  
as we go our way..  
trusting sons of Grant High ever  
in our hearts you'll stay.  
toward the future's golden promise  
heads and hearts held high;  
onward! class of fifty-seven...  
farewell to thee Grant High.

First dance in the Lower Lotus Lounge.

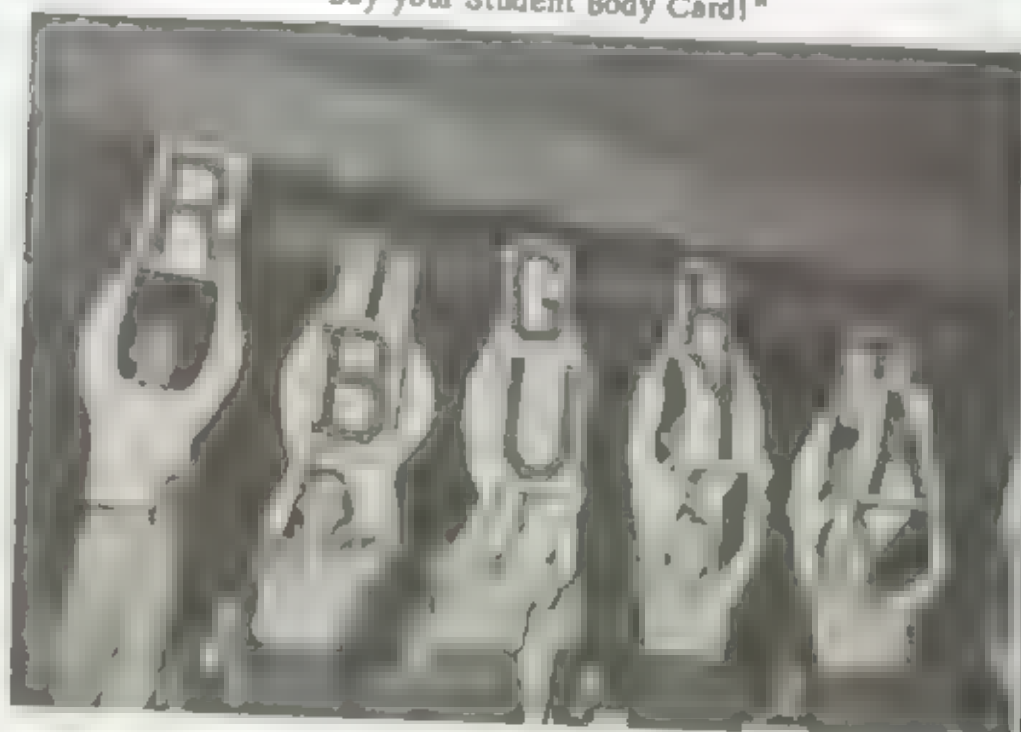

The fall of 1958 began with our victory over Jeff in the annual Student Body Card Contest. We continued to shine in spirit at the Jamborees and the football games.

Other activities included the Memoirs Assembly and sale, the first play of the year, "Bernadine," the Thanksgiving Assembly, and the traditional Girls' League Week, the latter highlighted by the Mortar-board Dance.

The Young and Fair

March brought the long-awaited Spring Vacation and the State Basketball Tournament. At the end of the month, the last play of the year, The Young and Fair, was presented. The Boys' Octet and many members of the Instrumental Department attended the Northwest Music Conference in Boise, Idaho. During the first week of April baseball season opened with the Grant Generals winning their games.

In May the operetta, Desert Song, was presented by the Choral Department. The Junior Prom also highlighted the month. Finally June came with the annual Senior Prom, the Baccalaureate Service, and Graduation Day.

## Mum Show

Queen Frances Johnson

The 1956 Mum Show was presented on November 7. The theme was "The King and I," which was carried out in red and gold decorations.

On the day of the show, students, clubs, reg. rooms, and teachers turned out with beautiful arrangements and single blooms. Judges from the Chrysanthemum Society awarded first and second place ribbons in all divisions.

Entertainment was presented by Grant students and prizes were awarded to winners at the evening show.

## FALL

**Jan Poland**  
President

The Fall Girls' League had many well supported activities, including a New Girls' Party, the annual Mum Show, which was an outstanding event, and the traditional Girls' League Week with its assembly, presentation of Honor Girls, and the Mortarboard Dance.

A "Girl of The Month" Award was presented each month to some outstanding girl who had given her time and effort to the activities of the Girls' League.

## SPRING

The Spring Girls' League participated in a variety of activities which attempted to bring the girls of Grant closer together through friendly work with one another.

The term included class potlucks sponsored by the Girls' League Class Officers, a Dad and Daughter Night given by the Senior Class, and a Mothers' Tea sponsored by the Junior Class. Girls' League Week in early April climaxed the Spring Term.

Mrs. Graap, President

The Grant High P. T. A. made its contribution to school and community by providing parent-education programs, student material aid when necessary, tuition scholarships, help with community projects such as polio inoculations and eye examinations.

A cooperative survey of Interest Clubs was engaged with a beginning mechanism for providing leadership for such groups established. The whole field of providing good adult leadership for club groups is a continuing concern to the Association and one in which cooperation with the Social Director will be maintained.

Programs of interest have been provided with the help of the Grant faculty, student panels and outside educators. The Association wants to express its particular appreciation to the staff and faculty for making the year a productive one.

P. T. A. Board

# Dads' Club

Mr. Retter, President

The Grant High Dad's Club is primarily concerned with contributing financially to the Student Body. Their money is mainly directed toward scholarships which is their major program. To raise money for this purpose, they staged the annual Dad's Club Show. The Membership Drive and the annual joint meeting with the P. T. A. stirred up a great deal of interest in the organization and its functions. The cooperation of both parents and faculty has added greatly to the fulfillment of the aims of the Dad's Club!

Mr. Jackson

Miss Smith

The Junior and Senior Dramateurs devote most of their effort outside of class contributing to the dramatic cultural life of our school. Four major productions were presented this year: Bernadine, My Three Angels, Annie Get Your Gun, and The Young and Fair. Besides four or five assemblies, the first and second groups participated in the Christmas Show, the Dance Band Revue, the Dads Club Variety Show, and the Spring Show Operetta. Field trips were taken to the Northwest Drama Conference in Eugene, the One Act Play Festival at Jefferson the local television stations, and the Civic Theatre. The Dramateurs also sponsor the Calendar Date Book as a school service project.

Mr. Jackson ponders a fine point of setting in My Three Angels.

The class assemblies this year, which were of an unusual and interesting variety, were received enthusiastically by the students.

Running the gamut from the Senior Class Assembly, "The Princess Who Wouldn't Smile," to "Backstage," given by the Sophomores, to the Freshman "U. S. O. Show," the class assembly calendar ended with "Toyland" presented by the Juniors.

# Public Speaking

Mrs. Opal Hamilton

1957 has been a busy year for the Speech Department. In addition to doing our regular work, we try to be of service to our school and community. We speak in assemblies, present panels, give radio programs, and T.V. Shows. We also enter all contests in the city and the state.

We are usually very successful at Pacific, Linfield, Portland State, Lewis & Clark, and the University of Oregon. Although Willamette meet has been discontinued, Grant won the sweepstakes there the last three years.

Figure 1 shows a schematic diagram of a 2D hexagonal lattice. The lattice is composed of solid circles representing atoms. A central atom is labeled 'A'. To its right is an atom labeled 'B'. Above 'A' is an atom labeled 'C'. Below 'A' is an atom labeled 'D'. To the left of 'A' is an atom labeled 'E'. To the right of 'B' is an atom labeled 'F'. The lattice is divided into two regions by a vertical dashed line. The left region is labeled 'Region I' and the right region is labeled 'Region II'. The atoms in Region I are labeled with 'I' and the atoms in Region II are labeled with 'II'. The lattice is also labeled with 'a' and 'b' to indicate the lattice constants.
